

Course Title

Key Stage 3 Art and Design

At KS3 students begin a programme of study designed sequentially towards the demands of KS4.

We aim to develop over time during KS3 a number of areas:

- To be able to creatively express ideas and experiences
- To be able to analyse and select appropriately the work of different artists and from different cultures and make connections to their own work.
- To be able to experiment with a range of media, techniques and processes relevant to intentions
- To be able to organise and develop ideas relevant to given theme and own intentions
- To be able to produce skilful final outcomes
