

# I am Poem.

I am ....

I Wonder how many fish are in the Sea.

I hear people looking down on me.

I See what people Want.

I Want everyone to be happy.

I am ....

I pretend I understand life.

I feel happier everyday.

I touch my neck to see if my necklace is still there.

I Worry about me.

I am ....

I understand that people feel low sometimes.

I Say am okay.

I dream that I won't fail in life.

I am ....
