Purpose of the policy

This policy details how the Stevenage & North Herts Education Support Centres, in relation to the management, administration and conducting of examinations and assessments, ensures that the moral and statutory responsibility to safeguard and promote the welfare of children is met.

The policy also details how staff are trained and supported to be alert to, and report, the signs of abuse and neglect and how they will follow centre procedures to ensure that children receive effective support, protection, and justice.

The procedures contained in this policy apply to all staff associated with the management, administration and conducting of examinations and assessments at the Stevenage & North Herts Education Support Centres.

Policy aims

- To provide all exams-related staff at the Stevenage & North Herts Education Support Centres with the necessary information to enable them to meet their safeguarding and child protection responsibilities
- To ensure consistent good practice
- To demonstrate the commitment with regard to safeguarding and child protection to students, parents/carers and other partners when taking examinations and assessments at the Stevenage & North Herts Education Support Centre to contribute to the wider centre Child Protection and Safeguarding Policy

Section 1 – Roles and Responsibilities

Designated safeguarding lead (DSL)

The DSL; (and any deputies) will take lead responsibility for child protection and safeguarding in relation to examinations and assessments. The DSL will offer advice, support and expertise in all matters relating to child protection and safeguarding in relation to examinations and assessments etc.

Exams officer

The EO; will support the DSL as directed, and also undertake all relevant training etc.

Other exams staff

Invigilators will undertake training as directed by the DSL, report child protection and safeguarding issues/concerns in line with centre processes/policy etc.

Section 2 – Staff

Recruitment

The Stevenage & North Herts Education Support Centres ensure that only 'suitably qualified and experienced adults' are employed in the management, administration and conducting of examinations and assessments. This is supported by the safer recruitment process which includes:

- completing an application form which includes their employment history and explains any gaps in that history

- providing two referees, including at least one who can comment on the applicant's suitability to work with children
- providing evidence of identity and qualifications
- verifying their mental and physical fitness to carry out their work responsibilities
- verifying their professional qualifications, as appropriate
- carrying out further additional checks, as appropriate, on candidates who have lived or worked outside of the UK, including (where relevant) any teacher sanctions or restrictions imposed by a European Economic Area professional regulating authority, and criminal records checks or their equivalent
- asking for written information about previous employment history and check that information is not contradictory or incomplete. We will seek references on all short-listed candidates, including internal candidates, before interview. We will scrutinise these and resolve any concerns before confirming appointments.
- if offered employment, be checked in accordance with the Disclosure and Barring Service (DBS) regulations as appropriate to their role. This will include:
 - an enhanced DBS check and a barred list check for those including unsupervised volunteers engaged in Regulated Activity
 - an enhanced DBS check without a barred list check for all volunteers not involved in Regulated Activity but who have the opportunity of regular contact with children
 - ensuring that this member of staff has a subscription to the DBS Update Service (where relevant)
- if offered employment, provide evidence of their right to work in the UK
- be interviewed by a panel of at least two school leaders/governors, if shortlisted

DBS check information

All information on the checks carried out on those who are employed solely for the purpose of periodic exams-related activity, such as external invigilators/facilitators, will be recorded in the centre's single central record (SCR). Copies of these checks, where appropriate, will be held in individuals' personnel files.

Existing staff

Although there is no statutory requirement to update DBS checks for existing staff, invigilators/facilitators will undertake a 'rolling DBS check' every 3 years.

If there are concerns about an existing member of staff's suitability to work with children, all relevant checks will be carried out as if the individual was a new member of staff. This action will also be taken if an individual move from a post that is not regulated activity to one that is.

Anyone who has harmed, or poses a risk of harm, to a child or vulnerable adult will be referred to the DBS:

- Where the 'harm test' is satisfied in respect of the individual (i.e., that no action or inaction occurred but the present risk that it could was significant)
- Where the individual has received a caution or conviction for a relevant offence
- If there is reason to believe that the individual has committed a listed relevant offence, under the Safeguarding Vulnerable Groups Act 2006 (Prescribed Criteria and Miscellaneous Provisions) Regulations 2009
- If the individual has been removed from working in regulated activity (paid or unpaid) or would have been removed if they had not left

Section 3 – Supporting staff

All exams staff at the Stevenage & North Herts Education Support Centres are made aware of the good practice guidelines and staff code of conduct in relation to child protection and safeguarding.

They are informed and updated on the contents of the centre Child Protection and Safeguarding Policy by methods of disseminating information, for example, training sessions, online information and hard copy information.

The process for staff to report issues/concerns relating to child protection and safeguarding is:

Section 6 - Protocols for one-to one support/supervision
